What is MIGS17?

YOUR ACCESS TO EXPERTS

When and where?

Montréal, QC, Canada - Palais des Congrès - December 11-13, 2017

The Montreal International Game Summit brings together hundreds of international experts to one of the largest hubs of video games development in the world so that they can share their knowledge with the local and international developers attending the event.

Learn from them during conference sessions, masterclasses and one-on-one coaching sessions before rubbing shoulders with them during the MIGS networking cocktails and other special events over the 3 days.

Unlike many other events in the industry, this really is an opportunity for attendees to meet with experts such as Ian Livingstone (Games Workshop), Amy Hennig (Electronic Arts), Brandon Beck (Riot Games), Marty O'Donnell (Compositor for Halo and Destiny), Ray Musika (Bioware) and many others who have joined us as speakers in the past.

MIGS16, a success!

2600+ attendees

430+ business lounge attendees

730+ companies

90+ sessions and live demos

70+ international buyers

20+ countries represented

90+ exhibitors and sponsors

90 journalists

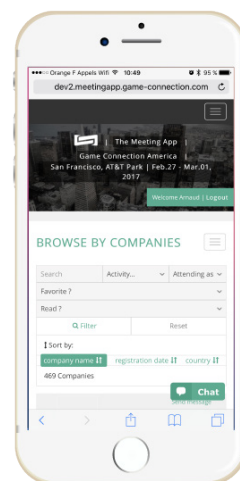

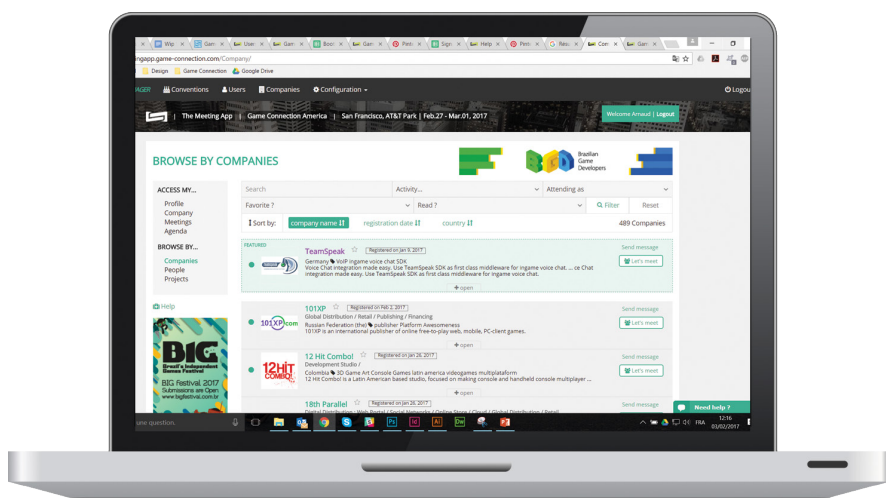

Online Meeting App

Use our online Meeting App!

- Up to date attendee list to help schedule your business meetings ahead of time and in real time
- No wasted time at the event walking the floor searching for individuals to meet
- Manage your schedule directly from your own computer / device
- Get directly in touch with the most relevant attendees for your needs
- Use the same application used by E3, Game Connection and effectsMTL!

Don't miss this incredibly effective professional matchmaking opportunity!

What to do?

On top of the content program, MIGS also hosts:

- Expo floor where Indies and AAA companies can showcase their games to thousands of visitors and international press
- A business lounge where developers can meet publishers looking for new games to buy and service providers can find new clients (using the online meeting application that Game Connection and E3 use)
- A recruitment section on the expo floor where hundreds of developers with all ranges of experience come to meet companies looking for new hires.
- Technical Lounge - Mentor's Cafe with IGDA
- Experts Club - by invitation only round tables
- Third party events

Sessions

- **90+ technical and creative sessions** to benchmark with your peers and strengthen your knowledge with international speakers
- **7 tracks:** audio, programming-technology, production/project management, design, visual arts, business & marketing, industry & advocacy
- **Become a speaker** - promote your expertise and knowledge in your fields!
- **Sponsor** sessions - position your company in front of hundreds of potential clients and partners looking for new business opportunities
- **Treat** your team and colleagues to specialised sessions and workshops designed to help develop technical skills
- **Masterclasses:** get one-on-one time with top-tier experts and find concrete solutions to industry issues in a full day training class

Showcase your games, products and services

Why exhibit at MIGS17:

- Have access and get prime visibility in front of 3000+ professionals
- 100+ of international journalists
- Recruit the best talents from Montreal and abroad!

Who should exhibit at MIGS17?

- Service and product providers for the industry
- Hardware/software providers
- Gaming studios: AAA and indies
- Editors, distributors and investors.
- Industry stake holders
- Schools and training establishments

Do business at MIGS – find new partners & clients

Meet hundreds of buyers looking for new games, products and services

The Business Lounge is THE meeting place for the decision-makers of the video game industry. Reserved to the Business Pass holders, the lounge offers ideal conditions for business development with tables and meeting places to discuss in private and comfort.

Online Meeting Application

An online Meeting App will be available to help identify potential buyers and allow you to contact them directly. Previously used by Game Connection, MIGS and E3, the Meeting App will facilitate the organization of business meetings with the best candidates. [Click here to login!](#) (In order to log in you must have received a welcome email with your login information). Any questions? Contact us.

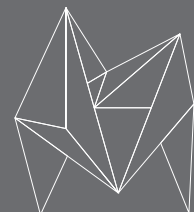

Facilitated networking

From breakfasts and business lunches to cocktails and coffee breaks, every activity is placed to encourage your business development and networking. Opportunities to present your services and projects are also available to facilitate matchmaking opportunities and share information to the industry's decision-makers.
